SOCIALIST REPUBLIC OF VIET NAM

Ha Noi, dated 22nd June 2018

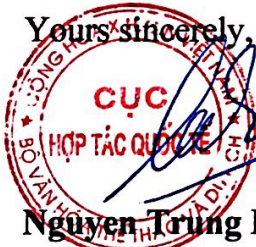

To whom it may concern,

My name is Dr. Khanh T. Nguyen, Director General of International Cooperation Department, Ministry of Culture, Sports and Tourism of the Social Republic of Vietnam. I am writing on behalf of Hoang H. Nguyen, a rising junior at University of South Florida.

Hoang came on as an intern for me during the summer of 2016 and has by far surpassed the other interns. He is a hardworking, creative and enthusiastic student who always puts his best efforts in everything he does. Hoang's performance depicted by his projects never seized to amaze me, as he is able to effectively manage his time by always meeting deadlines, while at the same time, delivers beyond requirements and expectations. As his supervisor, I would say he is an over-achiever in the work he finds interesting.

With confident, I am proud to say that Hoang has a great idea of what he is doing, what he is capable of, and will be the ideal candidate for the job he is applying for. He will put everything he has into the job that he is passionate about.

Yours sincerely,

Nguyen Trung Khanh, PhD.

Dear Mr. Chris Haywood:

I am writing this letter on behalf of Hoang Nguyen who is applying for the graphic design position at your Health & Wellness program. I have known Hoang for more than half a decade, he is a brilliant individual, tremendous drive to achieve perfection, self-motivated and independent.

Hoang worked for me last year at my center. I had simply explained to him that I needed a communication platform to best communicate to the public. He came back with an idea of an App., the next day and walked me through of how it was going to be utilized. The project was completed ahead of schedule and under budget. I was very impressed with his keen intellect, laser like focus of the task at hand, and driven to complete a project beyond expectation without much guidance.

I believe that Hoang will do extremely well of what you expect of him. He will surprise you of his creativity and excite you of what he can achieve for you.

I recommend Hoang without reservation. If you have any concerns, please do not hesitate to contact me.

Sincerely,

To whom it may concern,

In my capacity as a Visiting Professor of the Vietnam National Institute for Culture and Arts Studies (VICAS) and the Founder Ltd. of the Viet-My Film Production & Service Company Ltd, it is my great pleasure to recommend Hoang Nguyen to the Videographer/Photographer position that he is applying for. Knowing Hoang for more than 2 years, he is a creative individual who strives to perfect any task that he is assigned, while at the same time a good listener. He tends to stay focus when given instructions, and later does his best to mimic the technique, then to improve it with his own style.

Working in the film making industry, we have the opportunity to cooperate with giants from Hollywood, and that is the reason Hoang has applied for two years in a row to intern for me whenever he had a chance to go back to Vietnam. Although being a Computer Science major student, Hoang is passionate about making and editing videos. His work surprised me not because of the effects he used and the effort he put in, instead it is because they were produced by a self-taught high school graduate who simply loves creating new ideas. As an employer, I accepted him as an intern without any concern so that he was able to learn the film making technique and skills professionally.

I strongly urge you to consider Hoang for the position, as he will strive his best to exceed your expectation while create a fun working environment with his sense of humor.

Please feel free to contact me if you have any concern.

Sincerely,
